WRESTLING
1986-87

OUTLOOK

The 1986-87 Salisbury State College wrestling team has more experience and more depth–yet just one senior–for the upcoming season.

Head Coach Ron Otto, entering his third year at the helm, feels he has a more solid team this year after his young 1985-86 team went 2-10.

Returning are two regional place winners from last season–Dan Mascucci and Bob Kays. Masucci (150/158 weight class), a junior from Silver Spring, MD and Kays (158), a junior from Severn, MD, add much experience to the team.

Captains for the team are DeWayne Harris (142), a junior transfer from Delaware State, and Chuck Mutschler (126/134), a senior from Pasadena, MD, who is back after missing last year with a hand injury.

Another transfer Otto is high on is Chris Llinas (190), a sophomore from Penn State.

Returnees who wil be fighting for starting spots are Teige McShane (126), a junior from Salisbury, MD, Jeff Weiner (126), a sophomore from Hagerstown, MD, and Jim Nestor (158), a sophomore from Laurel, MD.

Otto sees much improvement from returnees Joe Manana (167), a sophomore from Silver Spring, MD and Sean Fitzpatrick (177), a sophomore from Rockville, MD.

Several freshmen figure to play big roles this year for the Gulls. Seong Kim (126/134), from Alexandria, VA, shows a lot of promise as does Bruch Shaper (118), from Bowie, MD. Karl Crock (142/150), from Wilmington, DE, Mike Baglanis (158/167), from Towson, MD and Scott Miller (142/150), from Salisbury, MD, provide depth in the middle weights.

Two football players–J.R. Harmon (210), from Reisterstown, MD, and George Bethard (230), from Wilmington, DE, are slated to battle for the heavyweight class.

Otto, a 1969 graduate of MacMurray State, is assisted by former SSC All-American Mike McInterney.

With a more experienced and deeper squad, Otto feels he has a more solid team for the 1986-87 wrestling season at SSC.

SSC TODAY

Nestled in one of the nations's most magical and historical areas, the Eastern Shore of Maryland, Salisbury State College effectively combines the relaxed yet personable nature of a small college education with the rigorous academic demands of a major university.

The recreational pursuits of the Eastern Shore are legendary, from the boardwalk of Ocean City to the wilderness of Chincoteague Island to the tranquility of Blackwater Refuge near Cambridge, Md. Only 30 miles to the east is Ocean City's famous white beach and the 30 miles of Assateague Island's National and State Park.

Salisbury, Wicomico's county seat and the Shore's major city today, was laid out by a charter granted in 1732, the year George Washington was born. Progressive growth has been characteristic of Salisbury. It has grown over the years from a little crossroads town with a small lumbermill and a few stores into a flourishing business center and a chief distributing point.

The College offers undergraduate programs leading to the Bachelor of Arts and Bachelor of Science degrees, and graduate programs leading to the Master of Arts in English, History and Psychology, the Master of Education, the Master of Business Administration, and the Master of Science in Nursing.

Salisbury State's undergraduate program became more defined in 1984 with the alignment of the College's major programs into five distinct schools of learning: the School of Nursing and Health Sciences; the School of Business; the School of Liberal Arts; the School of Professional Studies; and the School of Science.
